

INTERSECT 2017

3 MILE PROJECT IN GRAND RAPIDS

at: 3-Mile Project
10pm-6am

Date: March 17-18
Cost per student: \$20

WHAT IS INTERSECT?

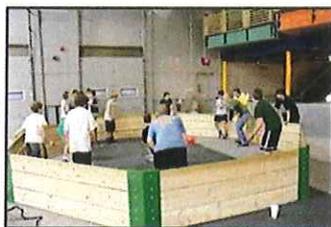

Intersect is an annual event put on by the "MUSKEGON YOUTH NETWORK" made up of about a dozen churches and para-church groups. The event is an attempt to "Intersect" the lives of Muskegon area High School and Middle School students from different groups so as to help them recognize other Christian students in their school. And for Para-Church groups, it connects youth group students with kids looking for a youth group to be part of.

Intersect takes the form of an All-Night event incorporating fun and evangelism. This year the event will be held at 3-Mile Project, an awesome facility in Grand Rapids.

The cost per student to participate in this event is \$20. And to keep the cost low, we need to get Sponsors to help with the cost. Below is the sponsor cost and the promotional value for each sponsor.
